COMMUNITY EDUCATION IS HERE FOR YOU

WELCOME

I hope you are as excited about this fall as we are! We continue to work collaboratively with many talented agencies, businesses, and people to bring fun and educational opportunities to all age groups. This catalog includes fun activities in Zumba, gymnastics, cooking, theatre camp, archery, music, and much more!

For those interested in theater, drama, speech, and other performing arts. In collaboration with Memorial Auditorium, we proudly host the Dakota Players Children's Theatre Camp in mid-August. Up to 50 local youth in kindergarten through 9th grade are guaranteed roles in "The Superhero Show." Join Polly Partridge and the Superhero gang as they learn an important lesson: being true to yourself is the key to happiness.

We are celebrating 50 years of Community Education! We cordially invite you and your family to join us on November 15th at the Community Ed building to celebrate our 50th Anniversary. Follow our Facebook page for more updates. Check out the history of Community Education on pages 20 and 21 of this edition of the catalog.

As always, we look forward to learning, growing, engaging, and enriching the lives of our community members by bringing fun learning opportunities for all age groups. If you have any suggestions on classes and activities that you would like to see offered in our community, please reach out to Soom Chandaswang. If you are interested in sharing your talents and would like to be a facilitator to teach a class, please let us know.

Thank you for your continued support.

Early Childhood Screening

**Do you have a child that is 2-5 years old?
Has your child been to early childhood screening? If not, read on...**

Minnesota State Law requires that children age 3 1/2 - 4 years participate in a developmental early childhood screening. This screening is free. The purpose of the screening is to identify children who may benefit from district and community resources that are available to help in their development.

The screening will consist of the following components: fine/gross motor skills, language development, concepts, height/weight, vision, hearing, review of child's health history, and immunization record (these are not substitutes for comprehensive exams).

District 518 will be sending out letters of invitation to children who are in the appropriate age range. *If your child is 4 years of age and has not been screened or if you would like to check if your child is listed on our census, contact Melanie Kuhl, Early Childhood Screening Coordinator at (507) 727-1207 for more information. Early Childhood Screening Dates for this school year are:*

Equity Advocacy Coalition EAC

The Equity Advocacy Coalition is a community-based organization committed to both building an awareness of systemic issues and collaborating to find equitable solutions. The EAC biweekly meetings on Tuesdays at 4:30 pm will focus on institutional equity in systems such as education, healthcare, social work, and the legal system. While session formats will vary, most will begin with a topic presentation followed by critical discussion and analysis. Participants will construct an equity lens while advocating for marginalized and underrepresented groups. Sessions will be planned and facilitated by Jesse Nitzschke and Kelly Thelen. For further information, contact the NCIC office at 507-376-3300.

NCIC Summer Highlights:

Trip to Badlands

On June 5-6 high school students from NCIC districts traveled to west-central South Dakota to visit the Badlands National Park in Interior, SD, Wall Drug in Wall, SD, and the Akta Lakota Museum and Dignity of Earth and Sky statue in Chamberlain, SD. The students learned about the natural environment and Native American history and culture of the area. It was a fascinating and fun trip for students and staff alike!

Climate Literacy Workshop

On June 25-27 NCIC staff members, Bridget Borer, Chansouk Duangapai, Tah So Ghay Collah, and Ana Lilia Duron, attended the Schools for the Planet Summer Institute at the University of Minnesota. The focus was incorporating climate literacy in education through the power of stories. It was an inspiring three days of learning best practices for educating youth about climate issues that affect our planet and each other.

DEFENSIVE DRIVER TRAINING

MATURE DRIVER

Improve your driving skills, and if you're 55 or older, get a discount on your personal auto insurance. This course teaches basic crash prevention techniques and has a proven record of reducing traffic violations and incidents. It is taught by experienced, professional traffic safety instructors. The class consists of lectures, films, and discussions. There is no behind-the-wheel driving and there are no tests. According to Minnesota state law, people age 55 and older who complete a state-approved defensive driving course are eligible to receive a 10 percent, three-year discount on auto insurance. Contact your insurance agent for details. After you complete the course, you will receive a certificate of completion to give to your insurance company. This 4-hour refresher course is for mature drivers who have completed the initial 8-hour class.

GREAT NEWS FOR OLDER DRIVERS IN MINNESOTA

Drivers ages 55 and older who have never taken a class to keep safe on the roads and get a break on their car insurance may now have an incentive to sign up — it won't take as much time.

A change in Minnesota law that goes into effect July 1 shortens classes for first-time participants from eight hours to four, matching the same length of refresher courses that drivers must take every three years to keep their state-mandated 10% discount on their auto insurance premiums.

AARP has been working for several years at both the National and State levels, to get the 8-hour, first time class eliminated.

"We're thankful for the change and hopeful it will encourage even more drivers to take a course to keep their skills sharp," said Josh Dunning, Vice President and National Director of AARP Driver Safety which manages the AARP Smart Driver™ course. "The driving landscape has changed dramatically in the time since most drivers received their driver's licenses. It's critical that as drivers, we keep up with these changes to remain independent and confident behind the wheel."

By taking a four-hour driver safety course, drivers learn the current rules of the road, defensive driving techniques, and how to operate their vehicle more safely in today's increasingly challenging driving environment. Over nine in 10 course participants report changing at least one key driving behavior for the better from what they learned in the course and over eight in ten participants felt that information they learned in the course has prevented them from being in a crash.

AARP offers their Smart Driver courses (sometimes known as "55 and Alive" or defensive driving classes) in hundreds of locations around the state. Details can be found on the locator web site at www.aarp.org/findacourse.

AARP also offers free We Need to Talk www.aarp.org/wntt and Smart DriverTEK technology workshops www.aarp.org/sdtek and will organize CarFit educational events around the state www.car-fit.org.

Wow! What a busy and active summer it has been for District 518! We anxiously await the staff and students to begin another banner school year!

Our new student enrollment is currently open for the upcoming 2024-2025 school year. To help our staff be prepared, along with making sure we have planned correctly, we encourage you to enroll your children early. If your child or children did not attend school in District 518 last year, we would like to get them registered now. If you need registration information or have questions on the process, please see the additional information in this catalog or call Community Education at 507.376.6105.

We do have several new staff throughout the district ready to start their journey with District 518. If you have the opportunity, please make sure to welcome the new members to the educational team. Some other changes will include scheduling, program, and initiative changes to enhance the educational learning of students. All this leads to the excitement of a fun-filled educational experience for the school year. We value the time and efforts that summer provides to prepare for the return of students and staff.

As school is coming into focus, we have a number of available jobs still available – teaching, paraprofessionals, custodial, sports and activities. We are always in need of substitutes for many of our teachers and paraprofessionals. For our current job listings isd518.net/district/employment/ . The Worthington School District has partnered with Teachers On Call to fill our Substitute Teacher and Substitute Paraprofessional positions. If you are interested in applying, please visit www.teachersoncall.com or don't hesitate to contact Teachers on Call directly at 800.713.4439 with questions. If you are already employed by Teachers on Call in a surrounding district, please contact them for access to Worthington School District (you need not reapply).

As I begin my 40th year in education, the start of the school year continues to be an exciting time and look forward to sharing the many great opportunities, options, and growth that take place at District 518. Educational Excellence for All Learners to be Successful Citizens in the Future is our Mission Statement and we strive to achieve this each and every day for students of all ages.

We look forward to a great 2023-2024 school year. Enjoy the rest of your summer!

FREE & REDUCED LUNCH INFORMATION

Our school offers healthy meals each day. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your student (s) may qualify for other benefits like reduced fees at school. Your application may also help the school qualify for education funds, discounts, and other meal programs.

If you believe your student(s) may qualify for free or reduced lunch service, please visit the District 518 website at www.isd518.net and locate the link for the "Free and Reduced Lunch Application" under the Resources section.

Questions or need assistance? Contact Tracy at 507.372.2172 or by email at tracy.kunkel@isd518.net. Spanish speaking families can contact Adry Stafford at 507.370.3682.

The USDA is an equal opportunity provider and employer.

Nuestras escuelas ofrecen comidas saludables todos los días y todos los estudiantes pueden comer un desayuno y almuerzo gratis todos los días en la escuela. Aunque no se necesita llenar una solicitud para recibir dicho beneficio, es importante llenar la solicitud para los Beneficios de Alimentación, porque es posible que su estudiante pudiera calificar para otros beneficios como cuotas reducidas de las actividades escolares. Su solicitud también podría ayudar a que la escuela califique para fondos educacionales, descuentos y otros programas de alimentación.

Si usted piensa que su estudiante calificaría para el beneficio de comidas gratis o a precio reducido, visite la página web del Distrito 518 www.isd518.net y bajo la sección Resources encuentre el enlace "Free and Reduced Lunch Application".

Si tiene preguntas o si necesita ayuda, comuníquese con Tracy al teléfono 507.372.2172 o por correo electrónico a tracy.kunkel@isd518.net. Para ayuda en español comuníquese con Adry Stafford al teléfono 507.370.3682.

LEARN MORE ABOUT OUR DISTRICT'S BUILDING BOND REFERENDUM

Don't forget to vote on or before Tuesday, August 13

On Tuesday, August 13, District 518 residents will decide whether to invest \$15.3 million to make key educational space and deferred maintenance improvements to Worthington High School. As you prepare to go to the polls, here are the answers to some of your frequently asked questions. Learn more at [518Committed.com](https://www.518Committed.com).

Q Are there conceptual drawings available that outline the proposed improvements?

A Yes. Conceptual drawings are available at [518Committed.com/plan](https://www.518Committed.com/plan). However, these are not finalized and, if the referendum is approved, the design process would involve stakeholder input to ensure the design best represents those that would use it.

Q If the referendum is approved, how much will be invested into making improvements at Worthington High School?

A If the referendum is approved, the district would invest a total of \$33.8 million in high school improvements – \$15.3 million funded through the building bond referendum and \$18.5 million funded through other district funds. Ultimately, the school board's commitment of these funds lowers the overall tax impact of the building bond referendum to district taxpayers.

Q If the referendum is improved, what is the impact to my property taxes?

A If the single-question ballot is approved, the estimated tax impact on a \$200,000 residential home in the district would be approximately \$4.68 per month starting in FY2026 for a period of 20 years. You can find your impact by using our tax calculator, which is available at [518Committed.com/cost](https://www.518Committed.com/cost).

Q How does this plan impact our students, staff, and community members?

A The proposed plan 1) properly reconfigures various spaces in the high school to best serve our students, staff, and community well, 2) provides additional space needed driven by building capacity limits and programming evolvments, 3) provides additional space to serve our students, including student dining and a commons area, 4) improves safety by moving the administrative offices near the secured vestibule, and 5) addresses several deferred maintenance needs.

IMPORTANT VOTING INFORMATION

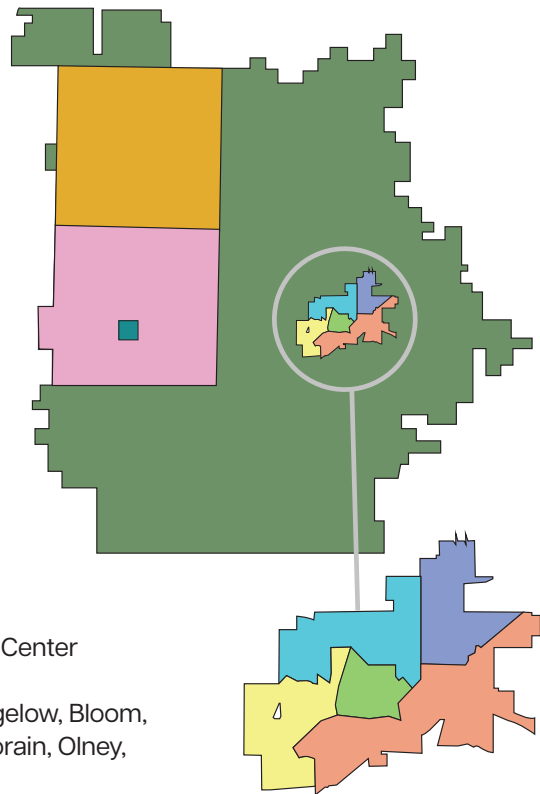

Ultimately, residents of District 518 will decide whether to make this investment. Election Day is Tuesday, August 13, and residents can cast their vote in one of three ways:

Vote early/absentee in person: Visit the Nobles County Auditor/Treasurer’s Office (315 Tenth St., Worthington, MN 56187) on weekdays from 8 a.m. to 4 p.m., except holidays.

Vote early/absentee by mail: All completed absentee ballots must be returned to the Nobles County Auditor/Treasurer’s Office by 8 p.m. on August 13. **If you have not requested an absentee ballot application yet, residents are encouraged to cast their absentee vote in person instead of mail to ensure your vote is timely received.**

Vote in person on Election Day: On Tuesday, August 13, polls will open at 7 a.m. for residents of the cities of Worthington and Rushmore, and 10 a.m. for residents of the townships of Dewald and Summit Lake. All polls will close at 8 p.m. See the list below for your respective polling location or visit 518Committed.com/vote to confirm.

Ballots will be sent by non-forwardable mail to all registered voters. If you have any questions, please reach out to Nobles County.

ENTÉRESE MÁS DEL REFERÉNDUM DE BONOS DE CONSTRUCCIÓN DE NUESTRO DISTRITO

No olvide votar el martes 13 de agosto o antes.

Los residentes del Distrito 518 decidirán el martes 13 de agosto si invierten 15.3 millones de dólares para hacer mejoras claves en el espacio es colar y el mantenimiento postergado a la Worthington High School, y mientras usted se prepara para ir a las urnas a votar, aquí tiene las respuestas a algunas de las preguntas más frecuentes, entérese más en [518Committed.com](https://www.518Committed.com).

¿Existen dibujos conceptuales que describan las mejoras propuestas?

Sí, usted puede ver el esquema conceptual de las mejoras en [518Committed.com/plan](https://www.518Committed.com/plan). Sin embargo, estos esquemas no están finalizados y, si se aprueba el referéndum, el proceso de diseño involucraría comentarios por las partes interesadas para garantizar que el diseño represente de mejor manera a las personas que utilizarán dicha mejora.

Si el referéndum se aprueba, ¿Cuánto se invertirá para hacer las mejoras en Worthington High School?

Si el referéndum se aprueba, el distrito invertiría un total de 33.8 millones de dólares en mejoras para la high school: 15.3 millones de dólares financiados por medio del referéndum de bonos de construcción y 18.5 millones de dólares financiados por medio de otros fondos del distrito. Al final, el compromiso de la junta directiva escolar con estos fondos reduce el impacto fiscal general del referéndum de bonos de construcción para los contribuyentes del distrito.

Si se aprueba el referéndum, ¿Cuál es el impacto en mis impuestos de propiedad?

Si se aprueba esta propuesta, el impacto fiscal estimado en una propiedad residencial con un valor de 200,000 dólares en el distrito sería aproximadamente de 4.68 dólares por mes a partir del año fiscal 2026 por un periodo de 20 años. Usted puede enterarse como esto lo afectaría directamente usando nuestra calculadora de impuestos, que está a su disposición en [518Committed.com/cost](https://www.518Committed.com/cost).

¿Cómo afecta este plan a nuestros estudiantes, empleados y miembros de la comunidad?

El plan propuesto: 1) reconfigura adecuadamente varios espacios en la high school para servir mejor a nuestros estudiantes, empleados y comunidad, 2) proporciona el espacio adicional necesario impulsado por los límites de capacidad del edificio y las evoluciones de la programación, 3) proporciona el espacio adicional para atender a nuestros estudiantes, incluyendo el comedor y áreas comunes, 4) mejora la seguridad al mover la oficina administrativa cerca de la antesala segura, y 5) atiende varias necesidades de mantenimiento postergadas.
