To be eligible for any District plan regular part-time employees must work twenty (20) hours or more per week to be eligible for District contributions. Any additional cost of the premium shall be borne by the regular part-time or regular full-time employee and paid by payroll deduction. Employees that elect to participate in one of the District's other health insurance plans will receive the following dollar amount toward insurance coverage, but not to exceed the premium for the full-time regularly assigned eligible employees that qualify for and are enrolled in the District's group health insurance plan.

District Contribution	2024-2025	2025-2026

Married Couples Employed by District: Married couples who are both employed by the District may pool their insurance premium allowance to purchase one family plan versus two individual plans. The District contribution will not exceed the premium allowance each employee would be eligible to receive on an individual basis.

Subd. 5. Employer HSA Contributions: In the event that an employee chooses the District HSA Health Insurance plan, the District will contribute the difference between the negotiated District health insurance contribution and the premium cost for single coverage, if the District health insurance

Section 3. Long-Term Disability Insurance: The District shall provide L.T.D. insurance for all eligible employees in accordance with the plan document of the District selected carrier. ### LEAVES OF ABSENCE

Section 1. Sick Leave: All full-time employees shall earn sick leave at the rate of ten (10) hours per calendar month or one hundred (100) hours per year for school term (10 month) employees, and one hundred twenty (120) hours per year for twelve (12) month employees, earned on a monthly accrual basis. Regularly assigned part-time employees shall be eligible for sick leave on the basis proportional to the percentage of the time they are regularly employed.

Subd. 1. Unused sick leave may accumulate to a maximum credit of sick leave per employee of one hundred (100) times the number of hours in an employee's standard work day, except in those cases in which the excess results from a reduction in hours.

Subd. 2. Reduced Hours and Unused Sick Leave Accumulation Maximums: If an employee's regular hours are reduced and their unused sick leave exceeds the new maximum number of hours allowed, no hours of unused sick leave already accumulated will be deducted from the employee's unused sick leave

balance. Once the level of unused sick leave accumulation falls below the new maximum allowed, new hours of unused sick leave begin to accumulate up to the maximum hours allowed at the start of the next fiscal year.

Subd. 3. Sick leave shall be allowed by the District whenever an employee's absence is found to have been due to illness which prevented attendance and performance of duties on that day or days. Additional sick leave shall be allowed as designated in Minnesota Statute 181.9413.

Subd. 4. The District may require an employee to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness indicating such absence was due to illness in order to qualify for sick leave pay. However, the final determination of the eligibility of an employee for sick leave is reserved to the District.

Subd. 5. In the event that a medical certificate will be required, the employee will be so advised and the District will assume the cost of the medical expense incurred to furnish this certificate.

Subd. 6. Sick leave allowed shall be deducted from the accrued sick leave hours earned by the employee.

Subd. 7. Sick leave benefits shall not apply to any employee for any injury sustained as a result of any work for wage or profit including any self-employment, contract labor, temporary, supplemental or secondary job for which any benefits, settlements, awards, or damages are received or payable or could be received or payable under any workers' compensation or similar act or law.

Subd. 8. An unpaid leave of absence may be granted for up to one (1) year for health reasons if recommended by the attending physician in writing and approved by the District and/or designee.

## Section 2. Adoption Leave:

Subd. 1. The Board may grant adoption leave to any employee who makes a written application for such leave. Adoption leave may be granted because of the need to prepare legal documents and provide parental care for a child or children of the employee for an established period of time.

Subd. 2. Adoption leave may include all necessary meetings to fulfill the requirements of the adoption process. Upon learning of the date of home placement, the employee shall submit a written application for adoption leave to the superintendent specifying the dates of the requested leave.

Subd. 3. Adoption leave may commence prior to home placement and may continue up to a maximum of twenty (20) days. Additional days may be granted by the School District. Adoption leave shall be deducted from accrued sick leave earned by the employee.

Subd. 4. Extended adoption leave may continue up to one (1) year without pay. The employee may not use sick leave for extended adoption leave.

Subd. 5. An employee returning from adoption leave shall be re-employed in a position for which he/she is qualified commensurate with a position occupied prior to the leave subject to the following conditions:

1. That he/she is not physically or mentally disabled from performing the duties of such position.

2. That he/she returns on the date designated on the request for leave approved by the School Board.

Subd. 6. An employee who returns from adoption leave within the provisions of this section shall retain all previous experience credit and any unused sick leave time accumulated under the provisions of this Agreement at the commencement of the beginning of the leave. The employee shall not accrue additional experience credit or leave time during the period of absence for adoption leave.

Subd. 7. An employee on extended adoption leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as he/she wishes to retain.

### Section 3. Child Care Leave of Absence:

Subd. 1. A child care leave may be granted by the District, subject to the provisions of this Section. Child care leave may be granted because of the need to prepare and provide parental care for a child or children of the employee for an extended period of time.

Subd. 2. An employee making application for child care leave shall inform the District or designee in writing of intention to take the leave at least three (3) calendar months, whenever possible, before commencement of the intended leave.

Subd. 3. If the reason for the child care leave is occasioned by pregnancy, the employee must continue to work until a doctor certifies that she can no longer fulfill the requirements for the position. The employee is required to return to work or take child care leave as soon as she is physically able to do so, as certified by her physician. An employee may utilize sick leave pursuant to the sick leave provisions of the agreement during a period of six (6) calendar weeks from the date of delivery; additional sick leave may be taken if FMLA paperwork is completed by a medical professional (completely) documenting the need. Upon return to work, a note from a medical professional shall be provided detailing accommodations, if needed, and expected date of return. If the pregnancy is terminated by miscarriage or stillbirth, the employee may return to her employment at the conclusion of the period of physical disability for which sick leave is utilized. The date of return will be mutually agreed to by the Superintendent or designee and the employee.

Subd. 4. The District may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year - i.e. winter vacation, spring vacation, end of the school year, or the like.

Subd. 5. In making a determination concerning the commencement and duration of a child care leave, the District shall not, in any event, be required to:

1. Grant any leave more than twelve (12) months in duration.
2. Permit the employee to return to employment prior to the date designated in the request for child care leave.

Subd. 6. The employee returning from child care leave shall be reemployed in a position which is the same as, or equal to, the employment prior to leave unless previously discharged.

Subd. 7. Failure of the employee to return pursuant to the date determined under this Section shall constitute grounds for termination unless the District and the employee mutually agree to an extension in the leave.

Subd. 8. The parties agree that the applicable periods of probation for employees as set forth in this Agreement are intended to be periods of actual service enabling the District to have opportunity to evaluate the employee's performance. The parties agree, therefore, that periods of time for which the employee is on child care leave shall not be counted in determining the completion of the probationary period.

Subd. 9. The employee who returns from child care leave within the provisions of this Section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this Agreement at the beginning of the leave. The employee shall not accrue additional experience credit for pay purposes or leave time during this period of absence for child care leave.

Subd. 10. The employee on child care leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as the employee wishes to retain, commencing with the beginning of the child care leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the District pursuant to this Section.

Subd. 11. Leave under this Section shall be without pay or fringe benefits.

Section 4. Family, Medical, Parental and Child Care Leave: Family, medical, parental and child care leave will be available in accordance with State and Federal statute.

Subd. 1. Employees shall be allowed up to sixteen hours of leave per year for the purpose of attending school, pre-school, or child care provider conferences and classroom activities of the employee's child.

Section 5. Personal Leave: All administrative assistant employees will be permitted a maximum of two (2) days of personal leave each contract year. The leave is non-accumulative. Requests for personal leave must be made in the electronic leave system directly to the building principal. The request must be submitted at least five (5) days in advance. Employees may turn in unused personal days for payment on June 1 each year and those not requesting payment will be forfeited. The Administration has final approval over granting this leave and is not subject to a grievance process.

Section 6. Jury Duty Leave: An administrative assistant employee who serves on jury duty will be granted the day or days necessary as stipulated by the courts to discharge this responsibility without any salary deduction or loss of basic leave allowance. The compensation received for jury duty service shall be remitted to the School District.

Section 7. Unpaid Leave: A leave of absence without pay for up to one hundred eighty (180) calendar days may be granted by the District.

Subd. 1. A leave of absence without pay of thirty (30) calendar days or less may be granted by the District for personal reasons, advanced study, scholarship or fellowship for an employee.

1. Any employee who has satisfied their probationary period may request an unpaid leave of thirty (30) calendar days or less. The request must be made in writing to the immediate supervisor at least thirty (30) days prior to the commencement of the intended leave.

### SENIORITY REDUCTIONS AND LAYOFF

Section 1. Recognition: The parties recognize the principle of seniority in the event of a reduction in the work force and for determination of benefits within the District.

Section 2. Seniority Date:

Subd. 1. District Seniority: Upon the satisfactory completion of the probationary period, an employee's seniority shall relate back to his/her first day of actual service in the District. This date will be established by using the starting date as listed on the posting for the position. If more than one (1) employee begins work on the same day, seniority ranking for such employee shall be determined by the District.

Subd. 2. Unit Seniority: Unit Seniority shall accrue only while actively working in that unit. If more than one (1) employee begins work in the unit on the same day, seniority ranking for such employee shall be determined first by whomever has more District seniority and then by the District.

Subd. 3. An employee shall lose seniority upon written resignation, termination, or failure to report after recall. A layoff of more than twelve (12) months shall be considered a termination.

Section 3. Qualifications: In order to exercise seniority to displace a junior employee, the senior employee must be qualified for the position in the opinion of the District. In order for an employee on layoff to exercise his/her recall rights to a vacant position, the employee must be qualified for the vacant position in the opinion of the District.

Section 4. Layoff: The least senior person within a classification will be the first person laid off. An employee on layoff shall retain his/her seniority and right to recall within the same or lower classification in seniority order for a period of one (1) year after the date of layoff.

The District will attempt to notify reduced or laid off employees prior to any public action or release of public information. Section 7. Notice of Recall: Notice of recall shall be made by regular mail to the last known address of the employee being recalled. The employee will have ten (10) day calendar days to respond to the notice of recall. If after this period of time, the employee has not accepted the position to which he/she has been recalled, the employee's name shall be removed from the seniority and recall list. It is the responsibility of the employee on layoff to keep the District advised of his/her current mailing address. The School District shall recall employees in inverse order of layoff within the unit provided the employee meets the minimum qualifications of the available position. If the position is not filled through this process, it will be posted as a vacancy. No new employee will be hired to fill a position by the District while there are qualified employees in layoff status, or have hours reduced in that classification.

Section 8. Seniority List: A current seniority list shall be compiled with a copy provided to the Chief Steward of the Association and the Exclusive Representative. Such seniority list shall be published by December 1 of each year.

Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

Section 5. Adjustments of Grievance: The School District and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the School District in the following manner:

At the option of the School Board, a committee or representative(s) of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

Section 6. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to reverse or modify such decision.

Section 7. Denial of a Grievance: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the employee may appeal it to the next level.

The proceeding before the arbitrator shall be a hearing de novo.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by the P.E.L.R.A. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 8. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 9. Election of Remedies and Waiver: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under the Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Article. Upon instituting a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this Article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.
