

2025 WHS SENIOR PICTURE

YEARBOOK/SENIOR VIDEO

Dear Parent / Student,

We are in the process of gathering all the senior photos to use in the senior section of the yearbook, created by Mrs. Schutz. We will also be using the same picture in the Graduation Video, created by Ms. Dalen Shultz. We request that you submit those pictures by **FRIDAY, APRIL 4th**. When you submit your photo digitally, we would ask the following:

Digital Image Submission

Digital images are only acceptable if:

- Have a 300-dpi resolution. (don't use your cell phone)
- Are saved as a JPG
- Photo files must be named with the senior's last name and then the first name (ex: Smith,William.jpg)
- **Submit by email to adviser (melissa.schutz@isd518.net)**

Other important guidelines:

- Close up pictures are the best choice for the yearbook.
- Choose a Portrait (vertical) layout.
- You need to be facing the camera. No side profiles.
- No props-hats, pets, cars, airplanes, hunting guns, etc... in photos. No borders or special effects. No SnapChat pictures.
- Simple, neutral backgrounds look best in the yearbook.
- Student **MUST** be wearing school appropriate clothing.
- Failure to submit an acceptable senior portrait will result in the use of the school campus picture.

Don't forget to purchase a 2025 yearbook. You can purchase your yearbook at www.buytheyearbook.com. Code **723915** The book is on sale for 2024-2025. We don't plan to order extra, so please purchase now. Yearbooks are printed in the summer after all events are finished. Distribution is usually late August.

Please note that professional photographs are recommended, as they produce the best results when printed in the yearbook. Although, if you would like to have a friend or someone take your picture, I do have great Canon cameras that may be checked out.

If you do have questions, please contact the yearbook adviser, melissa.schutz@isd518.net or visit the yearbook [website](#).
